

Regulation

I, Ms N N Mapisa-Nqakula, MP, Minister of Home Affairs have, in terms of section 19(1) of the Immigration Act, 2002 (Act 13 of 2002), determined the quotas for specific professional categories or specific occupational classes in the Schedule.

Generic occupation

Specific professional category / occupational class

Requirements
Applicable quota

Information and organisation professionals

Actuaries and risk assessors

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Agricultural economists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Statisticians

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Economists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Manufacturing and construction engineering professionals

Chemical and materials engineers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

200

Civil engineers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

1000

Structural engineers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

150

Aeronautical engineers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Aircraft maintenance engineers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Avionics engineers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

250

Electrical and electronic engineers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Industrial engineers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

100

Mechanical engineers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

100

Mining engineers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

100

Quality engineers and inspectors

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

250

Specialist pipe engineering and manufacturing

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Natural and physical science professionals

Astronomers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

200

Astrophysicists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

200

Atmospheric physicists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

200

Space scientists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

200

Chemists, analytical chemists and industrial chemists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

100

Agricultural and forestry scientists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Bio-engineers and bio-technologists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Food technologists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

100

Geologists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

100

Geophysicists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

150

Veterinarians

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

250

Biomedical engineers and technicians

Clinical and biomedical engineers and technologists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

5000

Health Professionals

Research and development pharmacologists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

300

Education professionals

School teachers professionals (Maths, Science, Design and Technology specialisations)

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

4000

Education planners

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

50

Agricultural and science technicians

Agricultural science technicians

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

5000

Science technicians

Earth science technicians

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

250

Biological science technicians

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

1000

Building and engineering technicians

Civil engineering draftspersons, technicians and technologists

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

1500

Electrical engineering draftspersons and technicians

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Electronics technicians

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

250

Mechanical engineering draftspersons and technicians

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

250

Hydraulics and pneumatics technicians

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

250

Industrial / product development technologists and testers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

1000

Autotronics technicians

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

350

Mechatronics technicians

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

150

Aircraft and avionics Technicians including maintenance technicians and aviation specific design and technologies

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

1000

Manufacturing and process technicians

Manufacturing technologists and technicians

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

150

Fabrications engineering trades workers

Sheet metal trades

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Structural steel and welding trades workers (Coded welders)

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

1500

Boilermakers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Mechanical engineering trades workers

Metal fitters and machinists (mechanical builders)

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Fitter and Turner

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500

Precision metal trades workers and toolmakers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

1500

Millwrights and mechatronics trade workers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

800

Electro-technology and telecommunication trades workers

Electricians

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

150

Jewellers

Jewellery designers

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

250

Information and communication technology

Network and support professionals

- Proof of formal qualifications evaluated by the South African Qualifications Authority.
- Registration with relevant professional body where applicable.
- At least 5 years relevant experience.

500
